How Does the Water Bill Round Up Work?

Decide what amount you would like to pledge each month. Fill out the form below and turn it into The Alley. The form will be submitted to the City of Dodge City and your pledge amount will be added to your monthly Dodge City water bill.

Why Should I Round Up for The Alley?

It is one of the easiest ways to make a donation that benefits the youth of your community. Your donation stays in Dodge City and helps provide a safe place for youth to attend a variety of activities. The Alley opened in December 1997 with a mission to provide a safe and affordable facility for youth to hang out. The Alley offers the following youth activities: 3-on-3 basketball courts, sand volleyball, pool tables, dance floor, computer lab, FREE EndZone middle school afterschool program, full kitchen, snack bar. The Alley is also available to the community for private party rental.
